

CURRICULUM OVERVIEW

ENGLISH: Students will share and enjoy stories, poems and images in story books. They will talk about the stories and make connection with their own personal experiences.

MATHEMATICS: Students will focus on make connections between number names, numeral and quantities. Student will develop a sense of sameness, difference and change when engaging in play-based activities describing position and location

SCIENCE: Students will examine everyday objects and investigate what they are made of. They will work out which materials are suitable for a particular purpose and explain their findings.

DRAMA: Students will explore and perform a role in a short dramatic play. They will describe what happens in the drama.

TECHNOLOGY: Introduced and embedded across all Key Learning Areas

SPECIALISTS

MUSIC: "Counting the Beat"

Prep students will discover beat by exploring songs, rhymes and games that involve numbers, counting and taking turns. They will use their speaking and singing voices.

HEALTH AND PHYSICAL EDUCATION: Students will perform a range of fundamental movement skills (running, jumping, hopping, galloping) and apply them in solving movement challenges.

In Health, students will identify and describe different emotions people experience. They will explore and practise ways to interact with others in a variety of settings.
