Dear Parent/Guardian,

The use of web based educational resources has risen steadily over the last decade and are increasingly being used by teachers across Queensland to improve student learning outcomes.

Our school and teachers make decisions about the best technology to meet the needs of our students. Sometimes it is beneficial for students to utilise services provided by third party web based providers.

Gilston State School wishes to utilise the third party web based service provider/s listed below to aid students' learning. The Department of Education and Training has produced a website risk review for each of these services, including controls on their use that can mitigate risks. Registering with these providers requires student personal information to be disclosed to the provider of the service. In the case of the services outlined below they are private companies that are hosted onshore in Australia and/or outside of Australia.
