• Anything valuable.
Luggage

One travelling case/bag and a sleeping bag is allowed per child and should be clearly marked with your child’s name, address and phone number. Remember, your child will have to carry their luggage, so make sure it’s not too big or too heavy. Handy hint: Pack items needed on the trip in a smaller, light day-backpack.

Special Dietary Requirements

Please advise the School if your child has any special dietary requirements that the Camp Venue will be required to cater for.

Medical information

Your child should bring enough medication for the duration of their stay. All medicines should be in original packaging and clearly marked with your child’s name, together with instructions on the prescribed dosage and frequency. You should discuss this with your child’s teacher, who will be responsible for making sure your child takes their medication.

Bed wetting

If your child is prone to bed wetting, please let the school or Centre staff know beforehand, so staff can deal with the situation in a discreet and caring manner. Laundry facilities are available, please provide a waterproof mattress protector if required.

Asthma and/or anaphylaxis

If your child has asthma and/or is at risk of anaphylaxis, it’s essential that you provide an asthma and/or anaphylaxis management plan so teachers know what action to take in the event of an attack. Children with asthma should bring their own peak flow meters and keep their inhalers with them at all times. Children at risk of anaphylaxis need to bring TWO adrenaline auto injectors.

Money and valuables

You might want to provide your child with some spending money so they can buy some camp souvenirs or items from the onsite Terrace Kiosk. We suggest that spending money is limited to $20 or $30 and is provided in a sealed envelope with your child’s name on it.
