From The Middle Of The Pack!

Dear Parents

Christmas decorations are up in the shops which means Christmas will be upon us before we know it! This year has just flown.

A brief update on all things Gilston includes:

- Mrs Hay is currently in an Acting Principal position at a neighbouring school for the rest of the year and Mrs Paech is here in the Deputy Principal position for the remainder of the year.
- A major redesign and build in our Prep/One playground area is about to start, supported by both school and regional funding.
- It's early times, but wheels are starting to move on the shelter structure in the *Pick -Up Area* in front of the school, which will be funded by the Gold Coast City Council, through our involvement in the *Active School Travel* program.
- We currently have 70 prep students for 2026 enrolled as we begin the end of year exercise of placing students and staff to classes.
- Through contacts of Mrs Thompson, one of our grade 3 teachers, we combined with numerous other schools and shipped five schools worth of desks and chairs to PNG schools a great achievement!
- *Reading behaviour* remains our major whole school focus, with teachers meeting with administration weekly to discuss individual student and class reading data.
- School Disciplinary Absences (included in this newsletter) indicate a genuine improvement in student behaviour, over the last three years. Our school is performing well above neighbouring like schools and is well above regional data.

- Voting for school captains for 2026 is now underway, with speeches by the applicants completed at this week's parade. The quality of applicants this year was exceptionally high with four girls getting to the final stages of the merit selection process.

Hold on tight for what is a very busy end of school term!

Enrolment for 2026

In the next few weeks, we will be looking at putting classes together for 2026 school year. If your student will not be returning to Gilston in 2026, please ensure you notify the Office at your earliest convenience.

Gilston Geckos

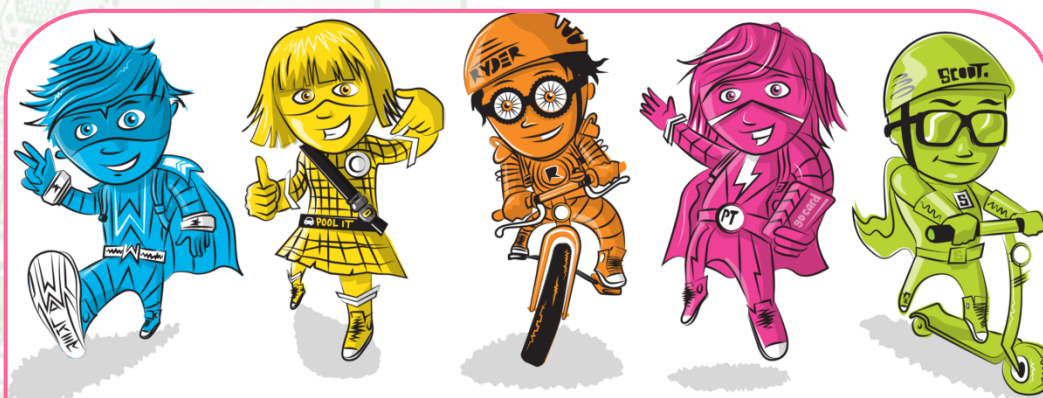

Next Thursday, 13 November, will be the last Gilston Gecko session. All parents are encouraged to attend the Information Session in the hall, presented by one of our Prep teachers. The uniform shop will be open during this time, until 10:30am to purchase uniforms.

If you have a child that is Prep age for 2026 and are yet to enrol them at Gilston, please see the ladies in the Office and collect an enrolment pack quickly!

Enrolments for 2026

Gilston State School is now open for 2026 enrolments!

Families with children entering Years 1–6 in 2026 are also encouraged to contact the office to ensure a place is reserved in the appropriate class.

We appreciate the support of our community in spreading the word that Gilston State School is now accepting enrolments for 2026.

Enrolments for High School for year 7, 2026

It is important that all students in year 6 are enrolled in a high school before they leave Gilston Primary.

If you are enrolling in a private school or moving interstate, please let the office know.

Contact the enrolment team at your local feeder high school to organise your enrolment interview before the end of term.

Buy Smart Competition

Congratulations to Lexi, one of our Year 5 students who participated in the Buy Smart Competition run by the office of Fair Trading. Lexi was shortlisted to attend a ceremony at Parliament House. She was one of 7 students across the state to be shortlisted! Lexi received a highly commended award for her amazing video!

Quality Arts Signature Program – Nerang State High School

Nerang State High School will be holding a second-round audition for their Quality Arts Signature Program on Wednesday 26 November 2025 at 3.30pm.

Our current Year 6 students are welcome to try out for the program.

If any student wishes to apply, please request an Application form from your teacher and RSVP attendance by Monday 24 November to 5503 7888.

E-mobility devices – safety on scooters and bikes

As holidays are approaching many students will be out and about on bikes and scooters, please take the time to read the following information regarding the use of e-scooters and e-bikes. I'd also encourage you speak with your children about their riding behaviour, to ensure their safety and the safety of others.

For more information, visit <https://streetsmarts.initiatives.qld.gov.au/e-bikes-e-scooters/>.

E-scooter rules

- Only children aged **16+** can ride e-scooters and e-skateboards **unsupervised**.
- **Helmets must be worn** with the straps properly fastened (bicycle or motorcycle helmets).
- **No passengers/doubling** – only one person riding an e-scooter.

Adjustments at school

Our team at Gilston State School work collaboratively to provide adjustments for all learners depending on their needs, to ensure they can access all areas of the curriculum. Adjustments are made to create an inclusive learning environment for all learners. These include:

- Adjustments to the learning environment i.e. placing a student in a location to minimize distractions or improve their visibility, providing a designated 'quiet area' for students to go when they need a break from a busy classroom environment, reducing sensory input by minimising background noise and other sensory distractions and providing students with modified furniture (seating, adjusted table heights).
- Modified teaching and learning i.e. adjusting daily timetables to accommodate student's needs, providing additional time to complete tasks and assessments, simplifying or extending lesson content to suit the student's level of understanding and using personal devices such as iPads to access learning materials.
- Personalised student support i.e. providing one-on-one assistance or small group work with teacher aides within the classroom and supporting student's physical or communication needs via accessible classroom modifications or assistive technology.

The adjustments are regularly reviewed and changes to the adjustments are made in collaboration with Teaching and Inclusion staff to ensure they remain effective.

Spotlight on Learning— Year 1

Year 1 have been learning about the features of local places in both HASS and science. To help with this, we had an excursion to Currumbin Creek to observe the natural, constructed and managed features to be found there. The children enjoyed playing on the constructed Pirate Playground but had even more fun spending time at the natural playground at the beach!

Spotlight on Learning— Year 5

Year 5 Camp: Courage, Teamwork and Big Adventures!

Two weeks ago, our Year 5 students returned from camp buzzing with excitement, new skills and wonderful shared memories. Over three days, they challenged themselves both physically and emotionally, learned to work as a team and showed responsibility in looking after themselves and each other.

One of the most memorable highlights was the *high ropes course*. Students clipped on helmets, took brave breaths and stepped up into the treetops. For many, this was their first time facing a fear of heights head-on. We watched as students encouraged one another, called up kind words from the ground and celebrated every step forward. It was inspiring to see so many young people push beyond their comfort zones.

The *giant's playground climbing frame* and *obstacle course* were full of laughter, determination and muddy knees. Students scrambled, balanced and swung their way through each section, cheering each other on like a true team. The *crate stack challenge* tested balance and problem-solving, as students worked to build a tower beneath their feet while trying to stay upright. Each climber was supported by a team of 4 or 5 below them, offering words of support. There were many wobbly crates and plenty of triumphant smiles!

For pure adrenaline, the *giant swing* was unbeatable. One pull of the rope, a soaring moment of suspense, and then a swooping, joyful rush through the air. Many students who began the week nervous finished with pride bursting from their faces.

Camp life wasn't just about adventure activities. Students learned independence and responsibility, too. They washed and dried their own dishes after every meal, took turns preparing the dining room, and even served meals to their friends and teachers. We enjoyed warm breakfasts, hearty dinners and delicious desserts, students enjoyed their meals and gained new appreciation for the work that goes into feeding a group.

There were moments of challenge. There were moments of hesitation. And there were many moments of triumph. What stood out most this year was the courage to try, the compassion to support others and the confidence that grew in each student day by day.

We are incredibly proud of our Year 5 cohort. They returned home a little taller, a little braver and filled with stories they'll remember for years to come.

Thank you to the families for your support and to the staff for their time, care and encouragement throughout the camp. What an adventure!

Shipping Container to PNG

This was a massive project, but we finally got the container packed and it is heading for the docks. 3T wrote letters to the students in PNG hoping they love their new desks and books. We even sent teacher resources over for 'Mums Preschool'.

It was a huge undertaking but thanks to 6 other schools for donating their furniture we got this over the line.

We engaged Pacific Assist and their church volunteers to organise logistics, pack and send the container to PNG. Great job, everyone!

It takes a 'village'

TOUCH FOOTBALL

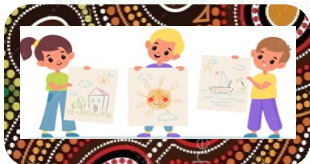

Six teams represented Gilston in the recent All Schools Primary Touch Football Tournament. They played with much skill, determination, flair and sportsmanship. Many comments were received from opposition families and coaches praising our teams' respect, teamwork and positive attitude. We are very proud of their efforts. A big thankyou to coaches, Mandy Hinze, Jaret Hinze, Melanie Flessler, Ruby Flessler, Finn Power & Chaise Hall. Well done to all involved.

Gardening Club

Mrs Sharp's Gardening Club are very busy in the garden beds. Weeding, fertilising and watering plants.

Before school – 8.30 – 9.00am

After school – 3.00 – 3.30pm

Plus during 1st break each day

Families are welcome to browse along with the students during the morning and afternoon sessions.
Every book that you buy helps our school get more books and cool resources for our library – **Thank you for your support!**

Book Club Issue #8:

Orders need to be submitted and paid for online.

The closing date is Friday 21 November.

Please submit by then to ensure that orders are received in a timely manner.

All orders will be delivered to student's classes on arrival.

There has been some confusion between **Book Fair and Book Club.**

Book Club catalogue orders are ordered and paid for online. On arrival we will deliver them to student's classes.

Book Fair orders can also be placed online but the receipt number for payment is written on the back of the **Wish List** and returned to the library for book collection.

Library Book Returns:

Please start returning your library books from Monday 17 November (Week 7)

There will be no borrowing after this date.

Lost a book? Come and see me for a chat.

HALLOWEEN CUPCAKE FUNDRAISER

Congratulations to Jzaiah R and Remi S - winners of our two 'Trick or Treat' lolly buckets.

Thank you to everyone who supported our latest fundraiser. All funds will now go back to the school to support future improvements and initiatives.

Our heartfelt thanks again to the incredibly talented Skye Faulkner for icing and decorating just under 300 cupcakes for our latest Red Day fundraiser. Skye's skill and expertise as a baker and cake decorator are valued. We are so grateful when she gives up her precious time to give back to our school. Thank you once again Skye.

WHITE FABRIC MARKERS

The P&C now have WHITE fabric markers in the Uniform Shop and Tuckshop if students and parents are wanting to label their clothing. It has become apparent that while BLACK is great for writing your name on a blue, teal or red hat it's not exactly ideal for a Black one. And the same can be said for our school jackets. If you'd like to take advantage of this, please pop into the Tuckshop or Uniform Shop (Monday's only) and we'll gladly help you out.

UNIFORM SHOP

Please allow 3-4 days turnaround for uniform Munch Monitor orders to be fulfilled and delivered to your child's teacher's pigeonhole. If you require an item URGENTLY, please DO NOT order via Munch Monitor but instead pop into the Uniform Shop, Mondays only between 8.15am - 9.15am to pay by EFTPOS or CASH and collect the item in person.

The SRC are holding a sausage sizzle and ice-cream fundraiser to coincide with the school disco on Friday, 21 November. All orders and payments are due by Wednesday, 19 November. All money raised from the event will go back into the school.

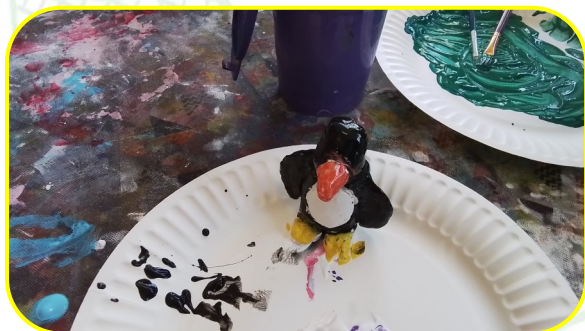

PCYC news—Kylie Morris

Term 4 is flying by, but we are working hard to fit in all the activities the children have requested. So far, we have been learning about animals and their habitats, creating some indigenous marsupial paintings along with our weekly cadet club on a Monday morning and weekly science activity on Fridays. In the coming weeks we are looking at Titanic (so many grade 2 have requested this topic) and mythical creatures.

We have finalised our Holiday Fun program, the bookings will open Week 6. We have some super fun activities planned that the children have requested. They are super excited for the K-Pop Demon hunter day...

If you need any information or would like to enrol in Gilston Fun Squad, email gilstonfunsquad@pcyc.org.au or call 0418 277 403

FYI- PCYC Gilston Fun Squad will close for 2 weeks over the Christmas Period, we will be closed from Monday, 22December and re-open Monday, 5 January 2026.
