

Dear program participant and families,

Your PCYC Leadership Development experience is fast approaching, and while you're probably excited about the adventure and learning to be had, there are a few things you need to know.

If your program is happening at Bornhoffen PCYC or the gold Coast Hinterland, you need to be prepared for the weather that this region experiences. Nighttime temperatures are often 5 to 10 degrees cooler to those of Brisbane and the Gold Coast. Also, we're one of the wettest locations in Australia. If it's going to rain in south-east QLD, it'll likely be in the Hinterland.

Having the appropriate clothing not only makes for a more enjoyable experience but will also help keep you safer by reducing avoidable challenges, injuries or unpleasantries. Please read through the equipment list (over page), items in **Red** are **critical to you/your child's safety!** When packing, please consider your program location, duration, time of year and whether you're camping out. These factors should influence what and how you pack.

When purchasing new items, we recommend

Wild Earth: 25 Central Dr, Burleigh Heads QLD 4220

Paddy Pallin: 120 Wickham St, Fortitude Valley QLD 4006

K2 Base Camp: 140 Wickham St, Fortitude Valley QLD 4206

Macpac: Multiple stores can be found online, visit their website to find your closest store.

Just take this equipment list with you when you're shopping for items on the equipment list. This will ensure you get the right advice, equipment and at the best price.

If you have any concerns or questions regarding the equipment list, or how best to prepare for your Leadership Development experience, please contact your school/organization.

We look forward to having you on program and supporting your learning.

Warm regards,

The Leadership Development team

PCYC Bornhoffen

ITEM/ CLOTHING	NOTES	
ESSENTIAL ITEMS FOR ALL PROGRAMS		
Rain jacket	Disposable Ponchos are NOT acceptable. Bornhoffen quite often experiences heavy rain	<input type="checkbox"/>
Shirts	Covered shoulders	<input type="checkbox"/>
